PAEDIATRIC CLINICAL PATHWAYS

Powered Mobility

Region: Bristol

This is an overview of the typical clinical pathway in terms of mobility options made available to your child once powered mobility is identified as a possible mobility solution

Imaginable Ltd, The Old Library Trinity Road Bristol BS20NW This has been prepared in collaboratively between this region's NHS trust and TinyTrax. We support the principle that each child gets the opportunity to try a range of suitable products. Any queries, contact simon@imaginable.org.uk 0117 909 8305
